# Extended Ring Protection

Protect Your Valuable Investment For Up To 10 Years

Jostens automatically protects your class ring from loss or theft for 4 years from ship date. However, for just \$20.89 (includes tax), you can protect your investment with the Extended Ring Protection Plan. For a fraction of the original cost, we'll replace your lost ring **two times** over a coverage period of 10 years.

## Details

### ***Two possible replacements:***

If your Jostens high school class ring is lost or stolen and you report it to Jostens within four (4) years from the ship date of your original order, Jostens will provide you with a replacement ring of the same design under the normal High School Ring Protection Plan. A replacement charge (plus tax and handling) will apply and may vary, but it will always be a fraction of the original cost of your ring. You may also submit one **additional** claim under the Extended Ring Protection plan for rings lost or stolen within 10 years of the ship date. That is two possible ring replacements under the extended plan.

Should you experience a qualifying loss or theft, please notify Jostens at the following address, toll-free number or go online to initiate the processing of your claim:

Warranty Service Center  
Extended Ring Protection Plan Claim  
P.O. Box 860
